CORE COMPETENCIES

Environmental Matters Contracting & Consulting, LLC was established in 2008 by Pauline I. Stacey to assist everyone from private land owners to local municipalities with providing accurate and timely environmental assessments as required. With a deep passion for the South Florida Everglades ecosystem, and knowledge acquired from other positions in the environmental field, Ms. Stacey decided it was time to put her Environmental MBA degree to work in order to help her community stay in compliance with new environmental laws and regulations constantly being established. Our experts help to Reduce Risk, Stay Compliant, and Eliminate Surprises!

Our services expand over a wide range of industries in private and public sectors, including:

- ✓ Private Land Purchasers
- ✓ Home Builders & Buyers
- ✓ Real Estate Agents & Companies
- ✓ Title Companies
- ✓ Engineering Firms
- ✓ Land Planning Firms
- ✓ Architects
- ✓ Home Owner Associations
- ✓ South Florida Water Management District
- ✓ Land (Real Estate) Developers
